OPIS

MDC 2570/GRAPHITE/3M is a **red LED module** for stalk marker lights from the **HOR 102AD group**. The product is universal in terms of mounting options. It can be fitted on either the left or the right side of a vehicle. Designed for use from small trailers to trucks and semi-trailers. The lights from the **GRAPHITE** collection feature a sleek, dark shade, combining modern design with functionality for excellent visibility. The module operates at a universal voltage of **12/24 V** and has low energy consumption. The **light** has been manufactured only with **branded LEDs**, which ensure unique quality of illumination and add a visual appeal to the contour of a vehicle in motion. The high **IP 68** rating and the operating temperature range of **- 30 degrees C to + 50 degrees C** make it a top quality product. ***Make sure you stay safe on the road!
