

LZD 2790/R2

REAR MULTIFUNCTION LIGHT CLEO, TUBE MOUNT VERSION LZD 2790/R2

DANE TECHNICZNE

Light group	Light category	LED light
HOR 115N	multifunction rear	yes
LED quantity	Rear position light	Rear direction indicator
32	yes	yes
Brake light	Side	Supply voltage
yes	universal	12/24 V
Cable	Operating temperature range	Ingress protection rating
4×0,5 mm ² ; cable length 1 m	from -30°C to +50°C	IP 68

OPIS

The rear multifunction light CLEO, side mount version **LZD 2790/R2** is a compact light with modern design, made of premium materials and with energy-saving **LED** technology, offering excellent light performance with very low power consumption. The **LZD 2790/R2** light is fully water and dust resistant (**IP 68**), enabling trouble-free use whatever the terrain and weather conditions. The **32 high-performance LEDs** deliver even and intense light, increasing **visibility** and **safety on the road**. The product meets electromagnetic compatibility (**EMC**) standards to eliminate the risk of interference that could affect other vehicle electrical equipment. The **LZD 2790/R2** light, ø20÷30 mm tube mount version, is universal in terms of mounting options. It can be mounted both on the left and right side of a vehicle, vertically and horizontally. This mounting means that installation of the light is extremely simple and flexible, and the light can be adapted to suit different types of vehicles and machines. **With light functions:** - **NEON** rear position light; - rear direction indicator; - break light. This model will perform well in agricultural and construction machinery, specialised vehicles, forklifts, quads, light electric vehicles and municipal vehicles, to name but a few, where reliability and durability are key assets. **Power consumption at 12 V operating voltage:** - rear position light (2 W) - rear direction indicator (1,7 W) - break light (2,7 W) **Power consumption at 24 V operating voltage:** - rear position light (4,2 W) - rear direction indicator (4 W) - break light (3 W) Our range includes also [CLEO rear multifunction lights](#) in bottom mount [LZD 2790/B](#) and side mount [LZD 2790/W2](#).
