

## LZD 2790/R2

REAR MULTIFUNCTION LIGHT CLEO, TUBE MOUNT VERSION LZD 2790/R2

### DANE TECHNICZNE

Light group	Light category	Rear direction indicator
HOR 115N	multifunction rear	yes
Ingress protection rating	LED light	LED quantity
IP 68	yes	32
Supply voltage	Cable	Side
12/24 V	4x0,5 mm <sup>2</sup> ; cable length 1 m	universal
Brake light	Rear position light	Operating temperature range
yes	yes	from -30°C to +50°C

### OPIS

The rear multifunction light CLEO, side mount version **LZD 2790/R2** is a compact light with modern design, made of premium materials and with energy-saving **LED** technology, offering excellent light performance with very low power consumption. The **LZD 2790/R2** light is fully water and dust resistant (**IP 68**), enabling trouble-free use whatever the terrain and weather conditions. The **32 high-performance LEDs** deliver even and intense light, increasing **visibility** and **safety on the road**. The product meets electromagnetic compatibility (**EMC**) standards to eliminate the risk of interference that could affect other vehicle electrical equipment. The **LZD 2790/R2** light, ø20÷30 mm tube mount version, is universal in terms of mounting options. It can be mounted both on the left and right side of a vehicle, vertically and horizontally. This mounting means that installation of the light is extremely simple and flexible, and the light can be adapted to suit different types of vehicles and machines. **With light functions:** - **NEON** rear position light; - rear direction indicator; - break light. This model will perform well in agricultural and construction machinery, specialised vehicles, forklifts, quads, light electric vehicles and municipal vehicles, to name but a few, where reliability and durability are key assets. **Power consumption at 12 V operating voltage:** - rear position light (2 W) - rear direction indicator (1,7 W) - break light (2,7 W) **Power consumption at 24 V operating voltage:** - rear position light (4,2 W) - rear direction indicator (4 W) - break light (3 W) Our range includes also [CLEO rear multifunction lights](#) in bottom mount [LZD 2790/B](#) and side mount [LZD 2790/W2](#).
