OPIS

LD 2620/GRAPHITE/5M is an **orange and red** stalk marker light on a long arm, designed to be mounted **on the left side of a vehicle**. Designed for use from small trailers to trucks and semi-trailers. The light from the **GRAPHITE** collection features a sleek, dark shade, combining modern design with functionality for excellent visibility. Operating at a universal voltage of **12/24 V**, the light is characterised by low energy consumption. The **light** has been manufactured only with **branded LEDs**, which ensure a unique quality of illumination and add a visual appeal to the contour of a vehicle in motion. The high **IP 68** rating and the operating temperature range of **- 30 degrees C to + 50 degrees C** make it a top quality product. ***Make sure you stay safe on the road! Discover our [collection](#) of GRAPHITE lights, a stylish solution for the automotive industry.***
