OPIS

LD 2588/GRAPHITE is a **white and red** stalk marker light on a short arm. The product is universal in terms of mounting options. It can be fitted on either the left or the right side of your vehicle. Designed for use from small trailers to trucks and semi-trailers. The light from the **GRAPHITE** collection features a sleek, dark shade, combining modern design with functionality for excellent visibility. Operating at a universal voltage of **12/24 V**, the light is characterised by low energy consumption. The **light** has been manufactured only with **branded LEDs**, which ensure a unique quality of illumination and add a visual appeal to the contour of a vehicle in motion. The high **IP 68** rating and the operating temperature range of **- 30 degrees C to + 50 degrees C** make it a top quality product. **Make sure you stay safe on the road! Discover our [collection](#) of GRAPHITE lights, a stylish solution for the automotive industry.**
