OPIS

LD 2181/GRAPHITE is a triple stalk marker light on a diagonal, short arm, designed to be mounted **on the leftside of a vehicle**. Designed for use from small trailers to trucks and semi-trailers. The light from the **GRAPHITE** collection features a sleek, dark shade, combining modern design with functionality for excellent visibility. **LD 2181/GRAPHITE features:** – front position light (white light); – stalk marker light (orange light); – rear position light (red light); Operating at a universal voltage of **12/24 V**, the light is characterised by low energy consumption. The **light with a reflecting device** has been manufactured only with **branded LEDs**, which ensure a unique quality of illumination and add a visual appeal to the contour of a vehicle in motion. The high **IP 68** rating and the operating temperature range of **- 30 degrees C to + 50 degrees C** make it a top quality product. **Make sure you stay safe on the road! Discover the GRAPHITE collection of lights, a stylish solution for the automotive industry.**
