OPIS

LD 3113 is a corner marker lamp, designed to be mounted on the cab roof. It is intended for use in buses, coaches, vans and special vehicles. Roof lamp **LD 3113** is universal in assembly, it can be installed both on the left and right side of the vehicle, vertically and horizontally. The lamp emits a bright **red neon light** (0,9/1,8 W). The lamp operates on a universal voltage of **12/24 V** and is characterized by low power consumption. Only **branded diodes** are used for production, which definitely distinguish the quality of lighting and attractively emphasize the outline of a moving vehicle. Product is fully hermetic (ingress protection rating **IP 68**), and the operating temperature range is **from -30 degrees C to +50 degrees C. Ensure your safety on the road! Identify your vehicle with LED new arrivals by Horpol!**
